OHIO STORMWATER AWARENESS WEEK

October 1st - 7th

Clean Streams Start With You!

What we do at home and work affects water quality. You can help keep water clean by:

- ◊ Planting native plants and trees.
- ◊ Properly disposing of chemicals and hazardous waste.
- ◊ Keeping storm drains clear of debris like leaves & litter.
- ◊ Always picking up and throwing away pet waste.
- ◊ Volunteering at or organizing a stream or roadside cleanup.
